DMCA counter-notification procedure

If material that has been posted to a site controlled or operated by United Holy Land Fund Inc. has been taken down, the party responsible for posting such material may make a counter notification pursuant to sections 512(g)(2) and (3) of the Digital Millennium Copyright Act. Please be advised that the party making such a counter notification may be held liable for damages if the party makes material misrepresentations pursuant to federal law in the counter notification. When United Holy Land Fund Inc. receives a counter notification, the material in question may be reinstated.

To file a counter notification with us, the party posting the material in question must provide a written communication (by fax, postal mail, overnight mail, or, when digitally-signed, by email) that sets forth the following information:

1. Identification of the material that United Holy Land Fund Inc. has removed or to which United Holy Land Fund Inc. has disabled access and the location at which the material appeared before it was removed or access to it was disabled.
2. The responding party's contact information (such as name, postal address, telephone number, and email address) and a statement of consent to the jurisdiction of Federal District Court for the judicial district in Kansas City, Missouri (or if your address is outside of the United States, to a judicial district in which United Holy Land Fund Inc. may be found), and that the responding party will accept service of process from the person who provided the initial notification of infringement or an agent of such person.
3. A statement that the responding party has a good faith belief that the removed material was removed or disabled as a result of a mistake or misidentification of the material to be removed or disabled.
4. A physical or electronic signature, in a form reasonably acceptable to United Holy Land Fund Inc., of a person authorized to act on behalf of the responding party.

Send written communication to the following address:
